CHILD EVANGELISM
FELLOWSHIP®

Since 1951 Reaching children worldwide

The United States Constitution requires schools to respect the right of all external organizations to distribute flyers to students at school if the school permits any such organization to distribute flyers. Accordingly, the school cannot discriminate among groups wishing to distribute flyers at school and does not endorse the content of any flyer distributed at school. The school encourages parents to assist their children in making choices appropriate for them.

This is not an activity of the school or school district.
